Roadway Projects						
78D048	BENNINGTON BYPASS SOUTH	NH F 019-1(4)	RELOCATION OF US7 AROUND BENNINGTON, BEGINNING AT VARNEY SCHOOL AND ENDING EAST OF BENNINGTON ON VT9.	1 *		We abstain from ranking this project. The TAC does not believe that the Bennington Bypass South, as it is currently designed, effectively and efficiently meets the region's most pressing transportation needs. We recommend investigating other alternatives to improve north-south transportation in Bennington similar to the way alternatives to the Circumferential Highway in Chittenden County were developed.
Safety & Traffic Operations
